### **Start Talking**

Was there anything in the message you found interesting or surprising?

### **Start Thinking**

What do you think is causing the majority of the fear right now with the corona virus?

### **Start Sharing**

How are you doing during all of this corona virus chaos?

How has fear been trying to call the shots in your life in recent weeks?

Have you ever seen fear make you or others weak, selfish or stupid like Cameron said?

Has faith carried you through any scary times before in your life?

Does the idea of fearing God remove other fears make sense to you? Why or why not?

What are some practical things you can do to feed your faith and starve your fear?

### **Start Doing**

Feed your faith this week by reminding yourself of God's power and love for you.

Speak Psalm 23 over your life daily.
