## TALK IT OVER

### **Election Year**

#### **The Big Idea**

Love people more than you hate their politics.

#### **Key Verse**

(John 17:21) "I pray that they will all be one, just as you and I are one—as you are in me, Father, and I am in you. And may they be in us so that the world will believe you sent me."

#### **Start Talking**

Was there anything in the message you found interesting or surprising?

#### **Start Thinking**

Why do you think people have such different views on politics?

#### **Start Sharing**

Are you interested and involved in politics?

Have you ever had a relationship disintegrate due to politics? What did you lose because of that?  
Has your faith affected and changed your personal politics? (be respectful that people might have opposing views... this is an opportunity to love)

How are some practical ways that we can stay unified as a church even when we disagree politically?

Are there any relationships that you need to work on because they could become strained by politics this year?

#### **Start Doing**

Pray and ask God to reveal where you have put politics first so that you can change it.
