TALK IT OVER

My God - Light in the Darkness

The Big Idea

God created light and wants us to live in His light, we do that by examining our lives by His light, keeping ourselves away from the darkness of the world.

Key Verse

John 8:12 NLT Jesus spoke to the people once more and said, "I am the light of the world. If you follow me, you won't have to walk in darkness, because you will have the light that leads to life."

Start Talking

How many of you were afraid of the dark when you were little?

How did you get over it or are you still afraid of the dark?

What are some ways in which people who claim that they are Christians still live in the darkness?

Start Thinking

How did the light of Jesus come into your life?

How did life change for you once you gave your life to Jesus?

Were there areas in your life that you struggled with allowing God to shine His light upon? How do you show the light that lives inside of you to others?

Start Sharing

Have you ever been somewhere in complete darkness? How did it make you feel?

How do you keep yourself on Jesus' lighted path?

Start Doing

Trust God's love for you.

Ask God to reveal areas of your life that might not be completely in His light.

Read Gods Word and pray for His help.

Think upon things that are pure and lovely.

Share your light with others around you so that they too can come out of the darkness.
