STOP Week Three : Observe

The Big Idea

What if the pause is an opportunity to observe?

Key Verse

(Romans 1:20) "For ever since the world was created, people have seen the earth and sky. Through everything God made, they can clearly see his invisible qualities—his eternal power and divine nature. So they have no excuse for not knowing God."

Start Talking

Do you enjoy people watching?

Start Thinking

How do you think our technology has brought people closer together or farther apart?

Start Sharing

Was there anything in the messages you found interesting or surprising?
What things do you observe in the world that make you think of God's characteristics?
Have you ever caught yourself ignoring someone important like a child or spouse because you were on your phone?
What could you be missing if you live in this low resolution world where you don't observe your surroundings?
Do you see the mission field around you of people who need Jesus, or are you usually distracted?

Start Doing

The next time you have a pause and go to your device... Stop and Observe!
