

SEE SOMETHING SAY SOMETHING

TALK IT OVER

See Something, Say Something

The Big Idea

Concern for our brothers and sisters in Christ will cause us to see something and then say something to them when they are in danger.

Key Verse

Proverbs 27:6 Wounds from a sincere friend are better than many kisses from an enemy.

Start Talking

Are you a screen talker; a person who talks to the T.V. or at a movie that tries to help people when they are in danger?

Start Thinking

Do you normally try to avoid conflict in your relationships or do you confront someone when you see something? Who has it been that's been the most difficult to confront?

Start Sharing

Do you believe that you have the right to speak into other believers lives?
Have you had friendships or relationships change because you saw something and decided to say something?

Did your friendship change? Did it survive?

Did you realize that God holds us accountable to our brothers and sisters in Christ?

Start Doing

Read God's Word so that you have eyes to see and ears to hear.
Be willing to confront a friend if they are making choices that are leading them away from God.
